Annual Title 1 Meeting

Parent involvement is a key factor in student success. Elementary students with involved parents are more likely to have higher grades and test scores, attend school regularly, and be more motivated.

We want to say a special thank you to all the parents that came to our Annual Title 1 Meeting on September 26th or September 28th. We were very pleased to see so many of our parents. We received positive feedback regarding the information received in the meeting and visits to your child's classroom. If you were unable to come, we want you to know that there is a power point on our website with all the information that was shared at the meeting in English and in Spanish.

For a complete look at the District and Dixieland Parent Involvement Plans, and School Improvement Plan, please visit our website Dixieland.polk-fl.net or stop by our office and find a copy in our Parent Involvement Notebook.

Please check out our Dixieland Elementary website. Your child can access this page from the home page at our **website: <http://dixieland.polk-fl.net>**. Click on Students at the top menu bar and go to Quick Links. Links include: BrainPOP, AR Login, Go Math, StarFall, Rosetta Stone, iStation, and many more. Your child should have received user name and passwords from their classroom teacher. If you have questions regarding user names or passwords, please ask your child's teacher.

You will find many more helpful links to support parents, teachers, and students working together to achieve high academic success. Thanks for all that you do to support Dixieland!!! We are in this together and value your input and involvement in your child's education.

School Advisory Council will be October 9th in our media center beginning at 4:00 PM.

Future meeting dates are 11/13/17, 2/12/18, 3/12/18, 5/14/18
